Dear Dr. Salah

**REF: NOTE OF APPRECIATION**

Greetings from Huruma Hospital

Hospital Management and the entire community of staff and service users received with appreciation the donation of Incubator, suction Machine and Trocars, this mean a lot to us hence will help to save a lot of life which could be lost due to Prematurity of new born, Aspiration and other conditions.

The donated equipment's will improve the quality of care provided to our esteem clients, We Huruma Hospital Team, we appreciate you for considering us to be recipients of those items we assure you that all equipment's we be used for benefit of our clients.

Please extend our heartfelt appreciation to all who make this to be possible. We are looking forward to hear more from you.

**Best Regards**

  
**Dr Sr Marydaria Mushi**  
**MEDICAL OFFICER I/C.**
